

Social Ministry

It is a beautiful sunny morning as I am writing this and a lot of daffodils have burst into bloom! Spring is coming! The seeds or bulbs have been in the ground, now they burst into bloom. After a while they will wither and not look so pretty and then the flower will die only to arise again next year. These thoughts bring me to think of Jesus. Kind of sound like His life and the new life he has given us. The goal of Social Ministry is to share a little bit of this new life with as many people as we can. Jesus blesses us with gifts and we then bless others by sharing our gifts.

Oaks Indian Mission -- Many people are being blessed by our gifts that we share with them each month. Besides the children who live at the Mission there are also many refugees living there now. In January you blessed them with hats and gloves. During February you have shared dishwashing soap and towels with them. The Mission is very grateful for all the gifts they receive. DURING MARCH WE WILL BE COLLECTING HAND SOAP FOR THEM.

Little Pantry -- Many people continue to be blessed by our Little Pantry. The pantry is always in need of donations. If you need ideas as to what to get check with Wanda in the office.

Salvation Army Meals -- We have such a dedicated group of people who make sure that a meal is provided once a month. This group includes those who go and cook and serve the meal as well as all those people who help provide goodies to add to the meal. Gifts from the Social Ministry benevolent fund, which is a part of the ULC budget, are disbursed by Wanda. These funds help support thirteen different ministries.

May you be blessed as we celebrate spring and a risen Savior!!

Joyce

Social Ministry

Oaks Indian Mission - March

The month of March we are collecting hand soap.
