Happy Easter

On the Altar: Gold is the color reserved for Easter Sunday. Jesus Christ has risen, a rich and costly gift indeed!

The Paschal Candle moves beside the altar during the

Easter season. This large, white candle is an ancient symbol for Christ, the light of the world. The candle contains a cross and/or an Alpha Omega to symbolize that

Jesus is eternal and always present with his people. **White** is the traditional color for this season, which celebrates Christ's resurrection.

The butterfly symbolizes resurrection, Easter.
