Old High Middle School.

I just want to thank everyone who contributes to all our special projects at United Lutheran.

- In 2015 we collected 5000 Best Choice Labels! We used the \$180 to purchase 14 sets of twin bed sheets for New Beginnings Children's Homes in Centerton. This amazing organization has just broken ground for their 5th home and already has the money for number 6. Each house has 2 parents living there and has space for 9 children. Each child is part of a family, and they can stay at NBCH until they graduate from high school! They have a garden, outdoor play equipment, a library and an indoor playroom. We are proud to help this wonderful charity.
- We are also collecting can tabs for the Ronald McDonald House at Mercy Hospital. When I brought them our 2 containers of tabs, they showed me the area where parents can stay while their children are in the hospital. They can eat and sleep there and be with their children!!
