

# Social Ministry

## Oaks Indian Mission, Gravette & Decatur Schools September

The Yellow School Bus tree has provided a wealth of school supplies—so much so that we are ending the school supply drive a month early. Thank you everyone for your generosity.

The month of September we will be collecting for Oaks Indian Mission & Decatur Schools. We were informed the schools ask that each student have a reusable water bottle that at the end of the school day the teachers hand wash so they can reuse the next day. We are going to not only collect reusable water bottles but also dishwashing soap, and bottle brushes for the teachers to use. We also will be collecting socks for those who, in the colder months, come to school with no socks . We are looking for children's socks XS - Large and adult socks for both boys and girls.

We are blessed this month to receive two Thrivent gifts, one for school supplies and the other for the Pumpkin Patch event from Tom & Carrie Guarino.

We continue to serve an evening meal, the first Sunday of each month, to those in transition at the Bentonville Salvation Army shelter. As always, your help in shopping, preparing and serving these meals and for sharing your baking skills in the deserts that we furnish are so very appreciated by those in the shelter. We will be serving Sunday evening meal at the Salvation Army Shelter on Sunday September 1st. Many thanks to those that have faithfully made this possible.

Thanks to all. Margo and Paula
